

*Returning
to Fox Creek
in 2012*

Thank you for a wonderful 2011 golf season. I was thrilled to meet so many Fox Creek Golf Club members and the hundreds of visitors choosing to play at this exceptional golf course.

With the objective of facilitating your golf game, this first year allowed me to introduce my services and coach many of you with my proven golf techniques. I am honored to return exclusively to Fox Creek in 2012.

From its first class driving range and practice facility, I will bring back what works but will also pioneer new golf programs for the enjoyment of players of all ages, at all levels. I also wish to thank everyone who reached out to me with their testimonials expressing how my instructions made a difference with their game.

To ensure that I've got it right, please communicate with me. I am open to all suggestions that would endorse your participation in next year's golf training programs.

- Are you parents who would like to introduce your child to a junior program?
- Are you an executive who needs a few lessons prior to taking part in corporate events?
- Would you like to be involved with programs tailored specifically to women?
- Do you wish to become more competitive in the sport?
- Or do you simply want golf instructions to allow you to have loads of fun with friends and family?

I invite you to contact me anytime using my coordinates below to give me your advice or feedback. If you have very specific golf objectives that you would like me to address, then demand it. Let me know what you are looking for and I will oblige whenever possible.
