

“We have been organizing our golf tournament this way for years and it works....”
“I have a great volunteer team or front office staff, why should I use GolfRegistration.ca?”
HERE IS OUR TOP 10 LIST OF “BEST REASONS WHY”!

ONLINE registration service “option”:

Upon contacting us, your golfers are immediately offered a new, contemporary registration option for your golf event. Then, when using this new option they receive an instant e-mail confirmation of their participation in your tournament.

ONLINE safe and secure credit card payment service has proven to prevent fraud:

No more cash transactions. Cheque deposits are reduced. Loss or misplaced transactions are eliminated. Experience the ease and time-saving benefits of managing your events through your access to our bonded, safe and secure payment service.

ONLINE information about your tournament:

GolfRegistration.ca will create a unique web page customized with the information related to your distinctive event. This page is interactive and hyperlinked for your advertisers, golf course information, invitations or other web based documents.

ONLINE reporting service:

Exclusive to **GolfRegistration.ca**: as the organizer you receive an ID and password. This provides access to your tournament’s “player registration” information 24/7, any day of the year. The report can also be downloaded in an **Excel** format at any time.

ONLINE pairings:

Players who register **ONLINE** provide all pertinent information regarding their foursome or their wish to join a specific foursome. The electronic system compiles the pairing information for you, making it very easy to assign the “tee off” info.

ONLINE time saver:

With our exclusive **ONLINE** registration service, you, your organizers, employees and volunteers can focus on spending time on all other important elements of the event without the hassle of collecting and depositing money.

ONLINE registration is not expensive:

The cost is established based on the types and the number of services you request from us related to the administration of your tournament or event. To your golfer this would be no different than buying other entertainment tickets "online" from other payment gateways like Ticketmaster or Admission. **We simply specialize in the sport of golf.**

ONLINE advertizing for your sponsors:

All advertisers sponsoring your event can receive product and service recognition via a “hyperlink” to their own websites from your customized **ONLINE** tournament web page designed by **GolfRegistration.ca**. Contact us for more information.

ONLINE administration made easy for the organizer:

You acquire immediate support from our great team with **GolfRegistration.ca**. We endeavor to assist you with all aspects of your golf event and will be diligent towards a successful end.

ONLINE registration = higher success rates to sellout your event in 2009:

Doc & Woody Golf Classic - SOLD OUT in 2 weeks!
